[‘Re-Picture Australia’](#) group provides public-domain images for you to ‘mash-up’ into new artworks by sampling these historical images and incorporating your own illustrations and photographs to create new montages and meanings.

In conjunction with the National Library of Australia, Canberra Contemporary Art Space (CCAS) is planning an online exhibition of selected works from the Re-Picture Australia Flickr group in 2009.

If you want to be involved in the exhibition, keep submitting work to the Re-Picture Australia group. Selected works will be announced later in 2009.
